

# AHMED SAYED ATIYA

---

Suez, Egypt | +20 106 9832 482 | Ahmed.atiya911@gmail.com

## OBJECTIVE

---

I'm willing to attain an entry level position in an engineering field to demonstrate my interpersonal skills & utilize my technical background.

I've obtained an excellent knowledge in Mechanical Engineering through my study at Faculty of Engineering – Cairo University.

My knowledge allows me be more confident when I'm dealing with any process related to my study.

## PERSONAL INFORMATION

---

- Date of birth: 7/11/1991	- Nationality: Egyptian
- Marital state: Single	- Gender: Male
-military state: completed	

## ACADEMIC BACKGROUND

---

- Mechanical Engineering Department Graduate, Cairo University.
- Date of graduation: 2014
- Accumulative grade: Very Good, 79.09% (Ranked the 12<sup>th</sup>)
- Graduation Project: Excellent. Air Conditioning System Design for Low Carbon Building
- Participated at Design of Mechanical Press & Hoist.

## SKILLS

---

### Interpersonal Skills:

- Leadership skills, communication skills, decision making, team working, flexibility.

### Language Skills:

- Native Arabic, Very Good English, Satisfactory French

### **Computer Skills**

- Microsoft office (Word, Excel, Power point), Mat lab, Solid works, CFD “computational fluid dynamics”, HAP “Hourly Analysis Program ”

## **WORKING EXPERIENCES**

---

2012      Trainee at Arab Organization for Industrialization engine factory | Egypt  
              Got introduced to the production process, Main Mechanical Processes & Corrosion Basics.

2012      Trainee at Nasr Petroleum Company  
              Have known the Main Equipment used in the petroleum Industry.

2012      Trainee at Egyptian fertilizers company  
              An Orientation for safety requirements awareness, Acknowledgement about operation of pumps, heat exchangers.

2013      Trainee at East delta electricity production company  
              Got introduced to the production process & the main equipment used.

2013      Trainee at Petrojet  
              Got a theoretical and practical knowledge of the Main Mechanical Equipment, Materials used and Design.

2014      Trainee at GB Ghabbour Auto Hyundai Service Center  
              Got experience of internal combustion engines , Cars it's components , Repair and Maintenance
